

JOIN US AND GIVE!

MAY 7-8 | GIVINGDAY2025.COM

Rising living costs in St. Johns County are pushing many residents out of the communities they have lived in and thrived.

For almost 30 years, SJHP has brought people together—matching community donations with available funding to create accessible, sustainable homes.

Giving Day 2025 is a 24-hour online drive!

May 7 – May 8

12pm - 12pm

In just 24 hours, we aim to raise \$15,000 to keep seniors and local families safely housed. Your online donation can help us reach this urgent goal.

We believe everyone deserves safe, affordable housing. With your support, SJHP provides critical home repairs and accessibility improvements, helping residents stay in their homes with dignity and independence.

Please **donate online at:** [St. Johns Housing Partnership Inc | Giving Day](https://www.sjhp.org/giving-day) during Giving Day, May 7–8, and share our mission with friends and family. Every gift makes a real difference!

Questions? Call us at (904) 824-0902.

Thank you for standing with us to keep St. Johns County a place everyone can call home. St. Johns Housing Partnership is a 501(c)(3) nonprofit and proud member of United Way of St. Johns.
